

FAMILY ENRICHMENT TORONTO PRESENTS

First Steps

For parents with kids aged 0-3 years

Bringing new life into the world is an exciting family stage! There is much to learn as new parents.

This course helps parents learn the essential habits that young children – and their parents - should acquire to support healthy development.

Using a case-base methodology, parents learn from real-life situations, as moderators guide the analysis and facilitate dynamic group discussions.

Note: There are no prerequisites for this course.
